

Independent Study Application Instructions

Once your Senior Thesis project has been approved, you will be required to apply on-line for an undergraduate Independent Study course. Enrolling in this course makes it possible for you to receive course credit for your project, and for your Thesis Director to assign your grade.

You will use the following link to complete your on-line application (only after the project has been approved by the Honors Director): <https://lascollege.depaul.edu/IndependentStudy/>

When you get to the webpage you will be prompted to log on using your Campus Connect username and password. On this form you will need to fill in the appropriate information. Complete the form as follows:

- **Student College:** Your home college
- **Quarter:** The quarter you intend to complete your thesis
- **Instructor's Name:** Your Thesis Director
- **Course Subject:** HON-Honors
- **Course Number:** 395
- **Credit Hours:** 4
- **Course/Project/Topic Title:** Your Thesis Project title
- **Degree Requirement Placement:** Honors Capstone
- **LAS Course Equivalency:** Not Applicable

After you submit this application the Honors Program and your Thesis Director will be notified and asked to approve your submission. When everything has been approved you should be able to see this course listed as HON 395 under "My Class Schedule" in Campus Connect.

Please contact the Honors Program office (honorsprogram@depaul.edu) or 773/325-7302 if you have any questions or problems enrolling in your Independent Study course.

Thank you,

Honors Program Staff
